It appears that we have skipped a season this year, but that didn't stop us from cattle penning! Our club put on 5 successful sanctioned shows this year. The finals are scheduled for September 10th in Quesnel at Gamache arena. Let's make it a good one!

Presidents Message

Another penning season is coming to a close. For many of us the last penning will be our finals. For others there are the Canadian finals and the Alberta Classic.

A conference call was held on Monday (Aug 29) evening with the CTCPA executive to discuss the Canadian finals as well as other things. We were informed that the CTCPA has paid a substantial down payment on the grounds so the show will go on. The only change to the show program that has been published is a week's extension date for entries. The entries now close on the 12th of September. Good luck to those who are going.

The CBCTCPA finals will be held in Quesnel at Gamache's place and as it's our club show, we will need a few volunteers. Please contact me so we can arrange what we can do to help out at Len and Sue's. A catered dinner has been arranged for Saturday evening for our year end awards banquet. Hope to see you all there.

Speaking of volunteers, I would like to thank the Executive for their hard work, both at the meetings and at the pennings, without their organizing skills and their hard work we wouldn't be able to put on such great shows. I would also like to thank the volunteers for their hard work as well because without them we wouldn't be able to put on the show at all.

May all your times be "fast times".

Carson Walker
