Volume 1, Issue 4

**'Come now,' coaxed the doctor,
'you've been seeing me for years.
There's nothing you can't tell me.'**

'This one's kind of strange...'

**'Let me be the judge of that,' The
doctor replied.**

**'Well,' she said, 'yesterday I went to
the bathroom in the morning and
heard a plink-plink-plink in the toilet
and when I looked down, the water
was full of pennies.'**

'I see.'

**'That afternoon I went to the
bathroom again and, plink-plink-
plink, there were nickels in the bowl.'**

**'That night,' she went on, 'I went
again, Plink-plink-plink, and there
were dimes and this morning there
were quarters! You've got to tell me
what's wrong with me!' she implored.**

'I'm scared out of my wits!'

**The gynaecologist put a comforting
hand on her shoulder. 'There, there,
it's nothing to be scared about.'**

**'You're simply going through the
change!'**

This guy was lonely and so he decided life would be more fun if he had a pet.

He went to the pet store and told the owner that he wanted to buy an unusual pet. After some discussion he finally bought a centipede, which came in a little white box to use for his house.

He took the box home, he found a good location for the box, and decided he would start off by taking his new pet to the bar for a drink. So he asked the centipede in the box, 'Would you like to go to Frank's place with me and have a beer?'

Silence; there was no answer from his new Pet. This bothered him a bit, waited a few minutes and then asked him again, 'How about going to the bar and having a beer with me?'

Again there was no answer, nothing but silence came from his new friend and pet. So he waited a few minutes more, thinking about the situation. He decided to ask him one more time. This time putting his face up against the centipede's house and shouting, 'Hey, in there would you like to go to Frank's place and have a beer with me?'

A little voice came out of the box:

'I heard you the first time! I'm putting my f.....g shoes on!'

A wealthy hospital benefactor was being shown around the hospital.

During her tour she passed a room where a male patient was masturbating furiously.

'Oh my GOD!' screamed the woman. 'That's disgraceful! Why is he doing that?' The doctor who was leading the tour calmly explained: 'I'm very sorry that you were exposed to that, but this man has a serious condition where his testicles rapidly fill with semen, and if he doesn't do that at least five times a day, he'll be in extreme pain and his testicles could easily rupture.'

'Oh, well in that case, I guess it's okay,' said the woman.

As they passed by the very next room, they saw a male patient laying in bed while a nurse performed oral sex on him. Again, the woman screamed, 'Oh my GOD! How can THAT be justified?'

Again the doctor spoke very calmly: 'Same illness, better health plan'

A little boy went up to his father and asked: 'Dad, where did my intelligence come from?' The father replied. 'Well, son, you must have got it from your mother, cause I still have mine..'

'Mr. Clark, I have reviewed this case very carefully,' the divorce court Judge said, 'And I've decided to give your wife \$775 a week,'

'That's very fair, your honor,' the husband said. 'And every now and then I'll try to send her a few bucks myself.'

A doctor examining a woman who had been rushed to the Emergency Room, took the husband aside, and said, 'I don't like the looks of your wife at all.' 'Me neither doc,' said the husband. 'But she's a great cook and really good with the kids.'

An old man goes to the Wizard to ask him if he can remove a curse he has been living with for the last 40 years.

The Wizard says, 'Maybe, but you will have to tell me the exact words that were used to put the curse on you.'

The old man says without hesitation, 'I now pronounce you man and wife.....'
