We reserve the right to make changes due to unforeseen circumstances

Our goal is to get as many “New” people involved as possible as well as make it affordable, fair and of course keeping it fun!

Those of you who don’t know a lot about sanctioned penning, every rider is rated from a 1 through 6, 1 being the beginner level. Those ratings are based on the riders skills, the horse they are riding and their abilities to work cattle. Each sanctioned penning show consists of different classes to include all level of riders.

For our jackpot penning we are adding a few incentives to get some of our new people involved.

NOVICE INCENTIVE 3 CLASS:

Team must consist of all “Never-Sanctioned” riders (novice rider)
\$15.00 per person per team
Paying 1 spot
1 Go per team
Ran during regular jackpot

NOVICE RIDER INCENTIVE:

Any team with a novice rider will be put in a 3rd category (as well as the class they are riding)
No extra fee
Paying \$180.00 to the team in first spot for this category only (\$60.00/rider)

So for this category, any team that includes a novice rider for the regular jackpot (team cap of 8), and all novice incentive class riders have an extra chance of winning a little more money.

Any of you that are interested in riding as a novice rider, I’m hoping to get a list together with contact information to the sanctioned riders so that they can call upon you. As well as the novice riders, a list of the sanctioned riders. So please let me or Heather know if you are interested ASAP so we can get that out and teams can be made.

Any questions please don’t hesitate to contact myself or Heather as well.
